

SALSA ON ICE REPORT: 29 October 2017

Weather

Weather conditions, cloudy, winds light, temperature minus 9C

SALSA Drillers on ice: Dar Gibson, Graham Roberts, Dennis Duling, Joshua Mehlin,

Drill Team Update:

- Finished preparing HRC, it needs to be mounted on the skis before we can add the ladder, motor drives and accessories.

- Unloaded hot water corer skid and staged corer, roving drill tower.
- Josh sorted and staged repair material for repairing HPU-1
- Prepared NIU's 20 ft container for shipping.

Report by Dennis Duling
