Mostly Cloudy, Winds East @ 13mph, temperature minus 11°C

SALSA Traverse Team on Ice: Steve Zellerhoff, Kevin Williams, Fabian Valdez
Allen O’Bannon, James King

SALSA E&O on Ice: Billy Collins

Traverse and E&O Update
• No training today, so I spent time prepping gear for the field.
• SALSA Traverse vehicle operator James King and I went down to the observation tube. While we didn’t see any wildlife, witnessing the sub ice environment was a fantastic experience.
• I took a walk out to Scott’s hut and found some wildlife and beautiful views.
• The SALSA Traverse is continuing to make progress towards Camp 20.
